We are excited to announce the upcoming **36th Annual NTAEE Energy Conference**. At this year's conference we will have an outstanding group of industry leading speakers, for a not-to-be missed event. The NTAEE Energy Conference creates a balanced mixture of speaker presentations and vendor booth exhibitors to facilitate the transfer of cutting edge energy technology and discussions. The venue this year will be the **Dave & Buster's Restaurant and Entertainment Zone in Euless, Texas**. Dave & Buster's offers great spaces for booths and meetings in a fun and exciting environment.

Join us for after the conference for networking and entertainment during our after-hours event. Unlimited video game play and 1-play of the new virtual reality special attraction will be available until midnight. You are welcome to have family or friends meet you there for the after-hours event.
